Pine View "CAN Say No to Drugs"

Each year Pine View collects canned food items and nonperishable food items such as pasta or cereal to help families during the holiday season.

This year we hope to meet our goal of 1000 items. We can meet this goal if everyone can bring in at least one item.

Students who bring any item will be asked to bring it to the back door of guidance as soon as they arrive to school. Students will receive a ticket for a chance to win a yearbook. There will be yearbook given for each grade level.

Drawing will take place on Monday, November 2.

Pine View can make a difference for families who may need assistance.
