

# Pine View Middle School Academic Honesty Policy

As an International Baccalaureate Middle Years Programme (MYP) Candidate School, all stakeholders at Pine View Middle School strive to personify the Learner Profiles in all aspects of our lives.

As Pine View Panthers who are acting as *principled* learners, *knowledgeable* people, and *thinkers*, we demonstrate the following:

**Principled:** We act with integrity and honesty. We take responsibility for our actions.

**Knowledgeable:** We explore concepts, ideas and issues.

**Thinkers:** We use both critical and creative thinking to approach complex problems. We understand that sometimes there are no simple answers.

“The District School Board of Pasco County is a community of students and educators committed to excellence in education leading to college, career and life readiness. Academic integrity is an expectation and a vitally important area of focus as a learning organization. Students with academic integrity make decisions based on ethics and values that will prepare them to be productive and ethical citizens.

Students at all levels are expected to pursue their studies with integrity and honesty in all school settings. All work that a student submits will be the original and authentic work of the individual student unless otherwise specified in the assignment.” - Pasco County Schools Student Code of Conduct p. 6-7.
