

Dear Parents and Guardians,

I'm pleased to announce that the Adventure Society will be traveling on an educational tour to Boston, New York, Philadelphia, and Washington DC in June of 2019. Your child has been invited to participate based on academic dedication and outstanding character in the classroom.

As our world becomes increasingly interconnected, it is critical for our students to become more culturally aware, explore new ideas and grow their potential. I believe that when students are able to see their curriculum come to life outside of the classroom, they develop a new and valuable perspective of the world.

I will be hosting a mandatory meeting to provide more information and open enrollment:

When: Thursday, November 2nd
Where: Pine View Middle School, Media Center
Time: 5:30 PM

Spots are limited and will be filled on first come, first serve basis. Please send RSVP via email or return the slip included by Wednesday November 1st to ensure I can accommodate everyone in our meeting space.

Warm regards,
Christinia Davis
