# Soar

- Overcoming fear is our theme for 1<sup>st</sup> quarter. We want all of you to have an understanding that as middle school parents it's important to let your children take risks and fail forward. We want them to be organized, independent life-long learners that can solve their own problems.

# Planners

- Planners are an important organizational tool given to students on the first day of school.
- Using a planner daily is a habit that will benefit them as they learn to juggle several classes.
- You may choose to purchase your own planner if you prefer a different style or more writing space.

# Homework Folders

- All Year 1 students are **REQUIRED** to have one **YELLOW** plastic folder to be used as a homework folder.
- This folder will be taken back and forth from school to home daily.
- This tool will help students keep track of work that needs to be completed and turned in.

# Academic Expectations

- PVMS has an Academic Honesty Policy that all students will receive and sign.
- If you are absent you have one day for each day missed to make up work.
- It is YOUR responsibility to gather missing assignments.
- Some teachers may accept late work. There are penalties for turning in work late.
- Every minute of class time will be used and you are expected to arrive on time.
- Students should not pack up until their teacher gives permission.

## *How Do You Stay on Track Each Quarter?*

- **No more than 3 absences.**
- **C or better in all classes.**
- **No referrals.**

# Language and Literature

- Our mandatory novel summer reading was Terror at the Bottle Creek by Watt Key.
