Dear Community Members,

Pine View Middle School will open its doors for the *GREAT AMERICAN TEACH-IN* on **Wednesday November 14th, 2018**. This event is in celebration of American Education week. During this week, schools across the country will be inviting parents and community members into their classrooms to teach students about careers and hobbies.

It is our hope that you will join us for this year's Great American Teach-In. You are encouraged to **share a hobby, explain an aspect about your career, teach a lesson, or organize an activity**. Presentations will be taking place all day and we can be flexible with when you wish to attend.

If you would like to attend this event, please complete the questionnaire below and have your student return the form to the front office. If you choose to respond via email, please send an email with all information listed below to Mrs. Nicole James (njames@pasco.k12.fl.us). We hope to see you at this year's Great American Teach-In!

Thank you for your interest in volunteering with Pasco County Schools. Volunteers are a vital part of building relationships between schools, parents, community members, and business partners, while adding value to the educational experience of Pasco County students. Anyone wishing to volunteer at a Pasco County school must complete a volunteer application. Florida law requires all school volunteers to undergo a new background check each year.
