How to Create a Parent Account in myLearning / Canvas

What is a Parent Observer role?

Observers have limited permissions that allow them to see what is going on in a course. Like students Observers cannot see a course until it is published and the course has started.

1. Students will need to access their *Pair with Observer* code in their account.
 - Students will log in and go to *Account* and then *Settings*.
 - On the right side, of the settings page choose *Pair with Observer*.
 - Write down the *Student Pairing Code* code exactly as shown for use in the next step.

2. Parents need to log in at <https://pasco.instructure.com/login/canvas>.

- Choose *Parent of a Canvas User* link in the top right corner.

3. Parents will need to fill in the requested information including the *Student Pairing Code* from step 1.
