

Pine View Middle School
An IB MYP World School Magnet
Year 1 Language & Literature
Mrs. Crissey

Middle Years Programme (MYP) Language and Literature courses develop skills in six areas that include: Listening, Speaking, Reading, Writing, Viewing, and Presenting. Inquiry is at the heart of MYP Language Learning that aims to support students' understanding by providing them with opportunities to independently and collaboratively investigate, take action, and reflect on their learning, while honoring the Language Arts Florida Standards. MYP Language and Literature courses are designed to offer a study of a wide range of literary and non-literary text types, writing styles and techniques, allowing students to comment on the significance of any possible contexts, audiences, purpose, and the use of linguistic and literary devices.

GRADING POLICY

My expectation is that **all** assignments are completed on time. Multiple opportunities will be given for students to show mastery of the standards, by student request and through completion of previous missing formative assignments, as required by the teacher.

In myStudent, the following codes will be used:

X: Exempt
M: Missing
I: Incomplete
0: A zero is the grade
DR: Dropped
CIP: Collected, In Progress
NG: Not graded

ABSENTEE POLICY

YES, WE DID SOMETHING IMPORTANT WHILE YOU WERE ABSENT. Excused absences guarantee students the right to make up any and all assignments assigned on the day[s] of absence at full credit. The student is responsible for asking the teacher(s) for assignments and make-up tests within two (2) class meetings with the teacher. The teacher(s) shall specify a reasonable period of time for completion of make-up work. In no case shall the time be less than one full calendar day for each day missed. Work due to be turned in on the day of the absence will be turned in upon return and be given full credit. The principal or designee shall have the authority to modify these conditions with a confirmed hardship. Students who have been assigned out-of-school suspension (OSS) may make up all missed assignments and tests for full credit.
(Student Code of Conduct)

TECHNOLOGY

Students are expected to abide by all school and district digital safety rules and guidelines. Failure to do so will result in said student being banned from technology in class. While we encourage students to bring their own devices to school, using them in class without teacher permission will result in a behavior step. Students will be required to use technology both at school and at home. Students will use various sites accessed from their My Pasco Connect dashboard. Login information will be given the first week of school and can be recorded here:
