Re: Nomination for membership to the Pine View Middle School Advisory Council

Dear Parents,

Schools throughout Pasco County are linked to the local community in a variety of ways. The School Advisory Council provides Pine View Middle School with one such link. Our School Advisory Council is composed of students, parents, teachers, business leaders, and other community members dedicated to continuous school improvement. Throughout the academic year, virtual meetings will be held in an effort to share the accomplishments of the school and to discuss new ideas and goals. Each year, parents, teachers, and educational support staff are elected to the School Advisory Council by their peers (parents vote for parents, teachers vote for teachers). If you are interested in serving on the School Advisory Council or know of someone else you would like to nominate, please visit our website and complete the online form. One consideration is that the nominated person must be willing to attend these virtual meetings. This year's virtual meetings will be:

- October 8, 2020
- November 5, 2020
- December 10, 2020
- January 21, 2020
- March 25, 2020
- April 22, 2020

This is the link referenced above on our website where you will find the nomination form for the Pine View Middle School Advisory Council for the 2020-2021 school year:
<https://pvms.pasco.k12.fl.us/mform/view.php?id=97658>. Please complete the online form before October 2, 2020 to be included in the upcoming election.

Sincerely,

Jennifer Warren
